DEPARTMENT OF PUBLIC WORKS**

INVITATION FOR BIDS

IFB #: PW222 – Eaton, Chalis and Nob Hill Pumping Stations Replacement Project

The Town of Framingham (Town), DPW, invites sealed bids for the Eaton, Chalis and Nob Hill Pumping Stations Replacement Project. This project involves the removal and replacement of two pumping stations and the elimination of a third pumping station. Gravity sewer mains and sewer force mains associated with these pumping stations will also be replaced or rehabilitated. The project includes approximately 3,800 ft. of sewer force main replacement, approximately 2,000 ft. of sewer gravity main replacement with associated manholes, and up to 750 ft. of sewer main rehabilitation via cured-in-place liner. Roadway reconstruction is also a component of the project including some full depth/full width reconstruction.

The project's scope of work includes portions of Hemenway Rd, Catherine Rd, Eaton Rd, Colonial Dr, Eisenhower Rd, and Nob Hill Dr.

Sealed bids shall be submitted in strict conformance with the bid document and will be received at 110 Western Avenue, Framingham, MA 01702 until 1:00 P.M. on Thursday, February 23, 2012.

The bid document will be **available for pick-up** after 10 A.M. on:
Wednesday, January 18, 2012 and may be obtained at the above location.

The Town reserves the right to reject any and all submissions, to waive any minor informalities & technicalities, or to cancel the bid if it were in the public interest to do so.
